INTRODUCTION AND OVERVIEW:

The Los Cerritos Wetlands Authority (LCWA) is requesting proposals from qualified firms to provide consultant services for the following: Manager for the LCWA Properties, Implement and Administer Contracts, provide support for Grants and Program Coordinator services for the Los Cerritos Wetlands Stewardship Program (hereinafter: Stewardship Program) within the Los Cerritos Wetlands Complex located in the Cities of Seal Beach and Long Beach. The objective of this solicitation is to select a firm that will work in partnership with the LCWA staff for oversight of the Los Cerritos Wetlands.

The LCWA is a joint powers authority of San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC), State Coastal Conservancy (SCC), City of Long Beach (LBC) and City of Seal Beach (SBC) whose mission is to provide for a comprehensive program of acquisition, protection, conservation, restoration, maintenance and operation and environmental enhancement of the Los Cerritos Wetlands Complex consistent with the goals of flood protection, habitat protection and restoration, and improved water supply, water quality, groundwater recharge and water conservation. The LCWA currently has acquired approximately 177 acres of an estimated 500 acres of wetland area and has created the Los Cerritos Wetlands Stewardship Program designed to promote community involvement focused on environmental education, maintenance, restoration and monitoring of the wetlands.

Historically, there have been three separate ownerships included within the Los Cerritos Wetlands Complex (LCW): the Hellman Property, containing approximately 174 acres, the Bryant Property, containing approximately 87 acres, and the Berger/Dean properties containing approximately 175 acres. The LCWA was formed on February 2006 to address the complexities of acquiring and restoring these wetlands and purchased 67 acres from the Bryants, and later in 2010 purchased 100 acres from the Hellman; in addition, 5 acres were donated from Edison. Currently the LCWA owns 172 acres and leases and manages an additional 5 acres from the State Lands Commission, this property is adjacent to the Hellman Property, please see Exhibit A: LCWA Map.

PROJECT DESCRIPTION:

The LCWA owns or leases 177 acres which necessitate regular property management in order to best protect its sensitive natural resources, manage property lease agreements, ensure the safety and security of easement holders and the public. The consultant must assure the land management duties are effectively carried out it is expected to coordinate the LCWA’s Stewardship Program through contracts and grants awarded. The LCWA’s Stewardship Program will support the land management effort while promoting and providing leadership in hands-on conservation activities and educating members of the community about the importance of wetland habitat conservation.
SCOPE OF WORK:

1. Land Management Services includes routine property patrols, semimonthly property patrol reports, identifying and redirecting non-beneficial uses and activities related to the Los Cerritos Wetlands, excludes Homeless Relocation. Activities also include:
   a. Act as the LCWA’s Land Manager for the approximately 177 acres of LCWA which includes: 67-acre LCWA Phase 1 (aka Bryant Lease), 100-acre LCWA Phase 2 (aka Hellman Ranch), 5-acre OTD Parcel, and the 5-acre State Lands Commission Parcel, please see Exhibit A: LCWA Map;
   b. Perform routine property patrols to identify, redirect and report non-beneficial uses and activities related to the general health of the wetland habitat and safety of volunteers and staff. These uses include but are not limited to trespassing, camping or permanent inhabitance, off-roading, illegal dumping, unapproved animal practices (dog walking, dog training, falconry, horse-back riding, etc.), hunting or fishing, bonfires or barbeques, and 3rd party habitat alteration;
   c. Summarize property patrol findings in reports that are submitted once a month to pertinent LCWA staff, contractors, lessees or partners;
   d. Provide site and safety orientations to volunteers, staff, approved partners, contractors, lessees, or easement holders entering the LCWA properties and escort visitors who have not received site and safety orientations. Hold the LCWA master key and manage per direction of the LCWA Project Manager access gates and distribution of the master key as approved for land users once verified by LCWA;
   e. Develop weed abatement work plans in accordance to the needs of the Stewardship Program;
   f. Manage agreements and coordinate activities of all contractors, easement holders, or lessees that utilize LCWA properties or are contracted to provide the LCWA with on-site services, with the exclusion of the Homeless Relocation;
   g. Maintain an updated database of visitors to the properties; and
   h. Manage all LCWA on-site facilities, including acting as the Liaison with Signal Hill Petroleum and other operators if necessary. In addition, coordinate quarterly meetings to provide updates from both the LCWA Staff and Signal Hill Petroleum on-going projects; and
   i. Maintain an updated list of the flora and fauna with specific attention to special status species. Conduct an annual population and survey of nesting Belding Savannah sparrows and provide an annual report by December 30 of every year; and
2. Act as the LCWA’s Stewardship Program manager which supports land management activities and includes coordinating all public events and other services as stated below.

   a. Develop semiannual flyer announcing public events for the Stewardship Program and at a minimum two weeks prior to posting to allow review and approval by the LCWA Project Manager;

   b. Communicate (through email and phone call) dates and times of public access events to LCWA staff at least one-week in advanced in order to promote safe and accessible opportunities for public education and ecological research that does not conflict with the Stewardship Program; and

   c. Collect all sign-in liability forms from all public events and provide copies of these liability forms to the LCWA Office on a quarterly basis; and

   d. Provide guidance to the work plan of the Stewardship Program and coordinate restoration activities with program partners; and

   e. Manage any grants or restoration projects received by the Stewardship Program and act as liaison to LCWA staff and contractors as part of the LCWA grant or restoration project, regarding the dates and times of any operations; and

   f. Organize all Stewardship Program public events and provide the LCWA a quarterly report of all activities. Organize quarterly partner meetings with active Non-Profit Partners; and

   g. Expand and utilize the LCWA Volunteer Database to inform the public of upcoming events; and

   h. Manage the Stewardship Program budget and work with LCWA staff and partners on program development and fundraising; and

   i. Review Coastal Development Permit applications submitted with regards to said properties. Interpret Coastal Development Permits and advise LCWA staff on allowable land alterations.
3. Contract and Grant Management Services which consists of contracts, grants awarded, in-lieu-fee programs and other restoration projects to administer and manage timelines, tasklists and budgets and ensure these funds and their associated timelines, tasklists and budgets are completed in a timely manner and on budget as agreed upon with the funding agencies.

   a. The LCWA was awarded several contracts and awards to implement the Stewardship Program which includes: 1. Signal Hill Oil Coastal Commission Development Permit (LCWA08008); 2.
